

Beginners tutorial videos

Find a selection of video tutorials in our video library. You can easily find your way around based on the categories and names.

All videos are in German!

PLEASE NOTE: Changes to the operation due to updates or association requirements may not yet be included in the videos. We strive to provide frequent updates, but we do not guarantee that all information is always up-to-date. Individual adjustments to the personal software may allow deviations of the interface / user interface.

- Clicking on the video image starts the tutorial
- Clicking on the „4 arrows“ icon in the lower right corner of the image enlarges the image.
- Press the „Escape/ESC“ key to minimize the window.
