Selection by groups

Of particular interest here are individual selection possibilities based on groups; for example, if you want to print a list containing only the clubs with which you have a green fee agreement. First, you have to prepare the club data. Select the desired group under **Setup/ Clubs+Courses/ ... new, edit, delete** and press **Edit**.

Navigation and Actions:

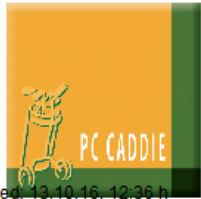

Now enter an abbreviation in the field of your choice for each club with which you have a green fee agreement (the abbreviation should be the same each of these clubs). Now enter the same abbreviation (for example "GV") in the **Group** field when printing the club list.

You will obtain the following list:

PC CADDIE 2016 © 1988-2016 PC CADDIE AG Ltd., Horw, Switzerland

PROBEINSTALLATION: Testclub AG, Hamburg

Note: A red callout bubble points to the 'Country' column header with the text: "Clubs with which there is a green fee agreement".

Selection based on country

Enter the country code in the **Golf association** field.

049	Germany
041	Switzerland
043	Austria

All clubs that have registered the corresponding country code with the club number are listed:
