## Club list

You can print a list of golf clubs via Settings/Clubs+Courses/Print.../Club list

int clu	b list	>
Layou Addr Addr Cours	ut: ess list ess + Info se information	Print F8
Or:	This additional info in "Group": and this golf association: Intranet:	
	Order: Alphabet Search abbreviation No. From: To:	

## Selection according to groups

Individual selection options according to groups could be particularly interesting here if, for example, you want to print the clubs with which you have a green fee agreement in a list. To do this, first prepare the club data. Open via *Settings/Clubs+Courses/...create, edit, delete* with *Edit* to open the desired club:

Club		×

Now enter a freely selectable abbreviation for each club with a green fee agreement under Group (the abbreviation should only be the same for all green fee agreements). You then have the option of entering the abbreviation "GV" when printing a club list under **group** when printing a club list.

You will receive the following list:
