

Swiss golf network

- [SGN contact](#)

The data synchronization should be activated for the golf clubs which are contractually connected to the Swiss golf network. The menu **Swiss Golf Network** is available under **Setup/Program Options**.

A screenshot of a software dialog box titled "Swiss Golf Network". The dialog box has a blue title bar with a close button (X) in the top right corner. The main content area is light gray and contains several elements: a checkbox with a red arrow pointing to it, followed by text explaining participation in the network and data transfer to GPNet GmbH; a second checkbox with a red arrow pointing to it; a label "Show the names of the new guests:" followed by a dropdown menu with "only on the Result lists" selected and a red arrow pointing to it; a "Login:" label followed by a text input field containing "SwissgolfFTP" and a red arrow pointing to it; and a "Passwort:" label followed by a password input field with seven dots and a red arrow pointing to it. On the right side of the dialog box, there are two buttons: "OK" with a green checkmark icon and "Cancel" with a red X icon.

Please make the appropriate selections and enter the login and password.
