PC CADDIE://online

This item only appears if you are using one of our PC CADDIE://online modules. Under **Settings/Programme settings/PC CADDIE://online** you will find the programme PC CADDIE://online Services:

Under PC CADDIE://online Tournament management you will find additional information.

Please do not change nothing the settings yourself. If PC CADDIE has been moved (new server), only the **directory** which always leads to the PC CADDIE main FTP folder. Preferably use the UNC path here.
