Swiss Golf Network

If your club uses the booking portal Swiss Golf Network, the following settings must be made.

To do this, go to ***Settings/Programme settings/Swiss Golf Network*** and tick the box for participation in the Swiss Golf Network.

User name and password should be preset. If this data is not available, please contact your PC CADDIE support team.
You can make further settings here as required.

The intranet synchronisation is started as usual by clicking the button  button.
