

Swiss Golf Network

If your club uses the booking portal [Swiss Golf Network](#), the following settings must be made.

To do this, go to **Settings/Programme settings/Swiss Golf Network** and tick the box for participation in the Swiss Golf Network.

The screenshot shows a dialog box titled "Swiss Golf Network" with a close button (X) in the top right corner. The dialog contains the following elements:

- A checked checkbox with the text: "Our club would like to participate in the Swiss Golf Network and for this purpose agrees with the transfer of the customer data to the operator GPNNet GmbH, Sandrainstrasse 17, 3007 Bern. Further service agreements with GPNNet GmbH may be necessary".
- An unchecked checkbox with the text: "According to our terms and conditions, customer data can be processed online."
- A label "Show the names of the new guests:" followed by a dropdown menu currently showing "only on the Result lists".
- A "Login:" label followed by a text input field containing "SwissgolfFtp".
- A "Passwort:" label followed by a password input field with five dots.
- On the right side, there are two buttons: "OK" (with a green checkmark icon) and "Cancel" (with a red X icon).

User name and password should be preset. If this data is not available, please contact your PC CADDIE support team.

You can make further settings here as required.

The intranet synchronisation is started as usual by clicking the button  button.
