About

Click on ***Exit/About PC CADDIE*** to see the PC CADDIE version you are using and its release date as well as our support team's contact information.

In this example you can see the PC CADDIE contact data under the logo, and the 2012a version, which is certified by the golf associations. On the right hand side you can see that the version installed on this computer was available at 02.02.2012 at 16:35:44.

Read here how to load an update: Update PC CADDIE.
