gkmbCADDIE members only typo3-Extension

Create an area ONLY for your members on the World Wide Web via your website. Information is only made available to your members who are authorised to log in.

Product description

With the gkmbCADDIE extension from our web partner, the Firma G.K.M.B, you can access the PC CADDIE person query directly from your TYPO3 application (Content Management System). This offers you the following advantages and possibilities:

- Authorised login (single sign-on) for the website and for PC CADDIE services with PC CADDIE user name and password or association ID number and service number/PIN or birthday
- Linking of PC CADDIE additional information with the user groups and authorisations of the website front-end users
- Encrypted, secure data transmission
- Personalised greeting for logged-in users

All you need is the PC CADDIE://online CRM plus Single Sign On.

Examples on the web

😉 On the web you can find the service at least „from the outside“ at the following addresses:

Golfclub Markgräflerland
Golfclub Bad Wörishofen

Contact/Support

If you have any questions or requests, please do not hesitate to contact your PC CADDIE://online Customer service.
