Annual update Switzerland 2018

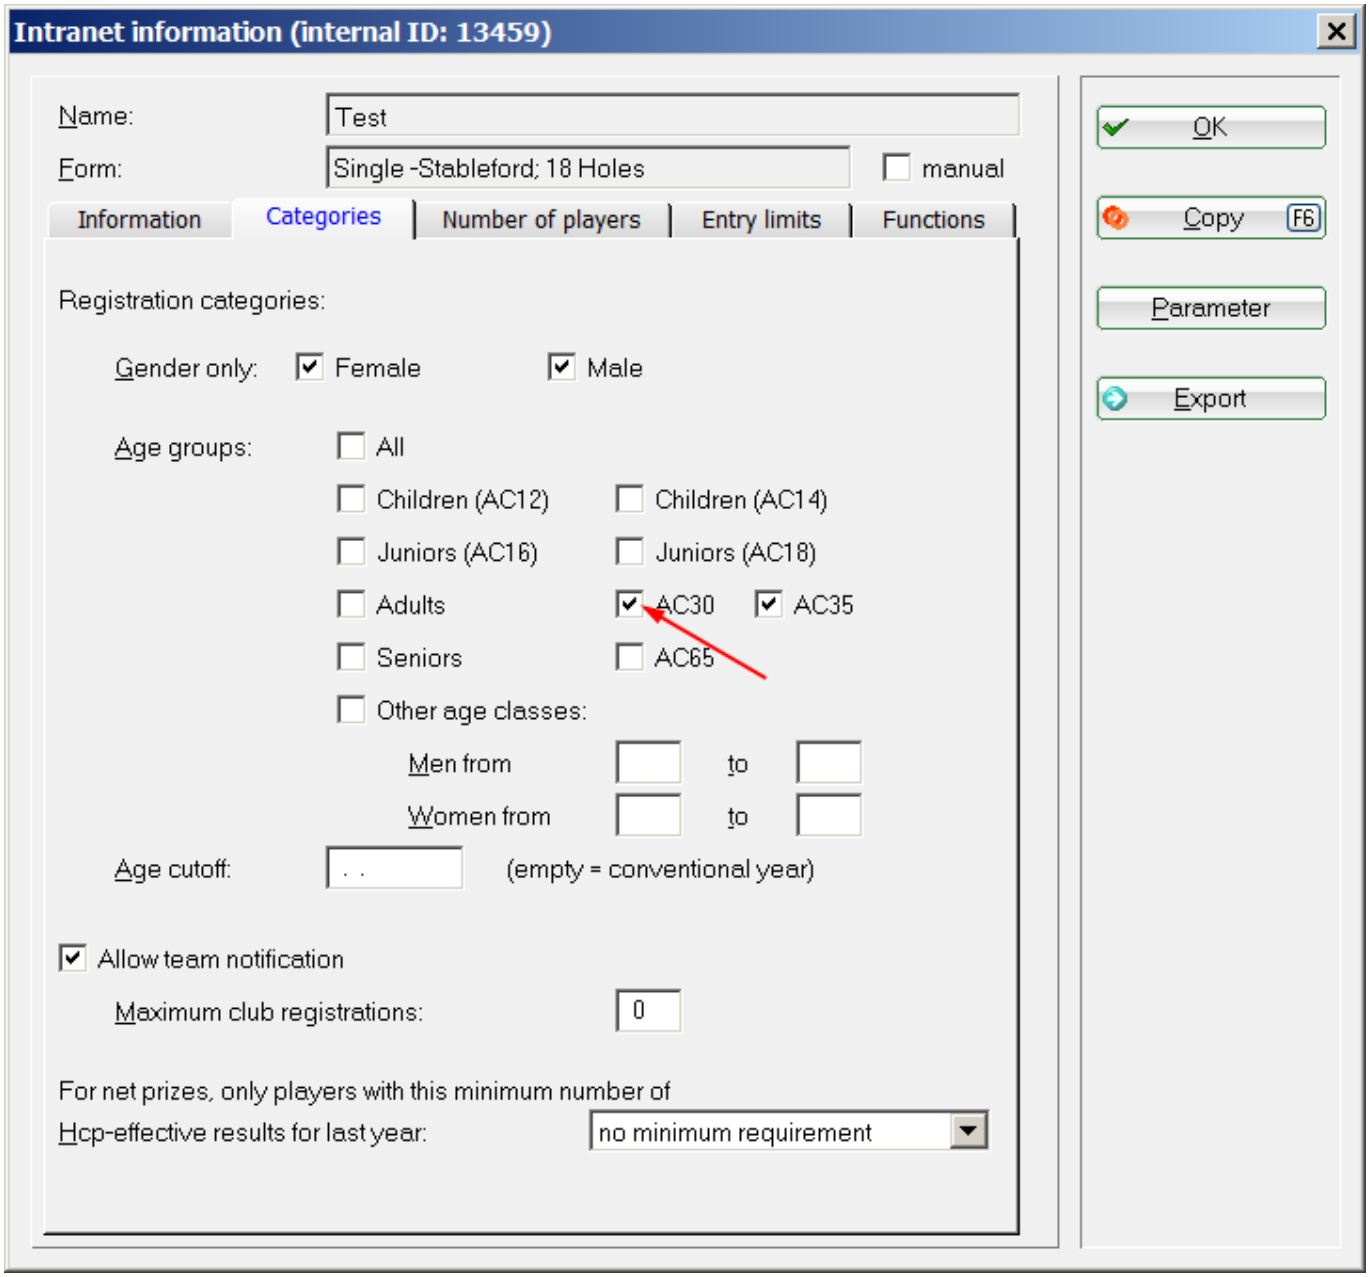

Events selectable for ASG Intranet

For the ASG INTRANET are now available under the ***„Game form“ EVENT*** different types of events are now available.
Read: ⇒Set events for ASG INTRANET

Age groups for competition registrations

From 2018, the AK30 will also be available for activation for competition registrations. Previously, this could only be set via „Other age groups“. In the following example screenshot, players from the AK30 and AK35 could register!

⇒ Age group categories
⇒ Competitions on the Internet - Settings

Ordering an ID card

Receipt for cancellation

From 2018, there will also be receipts for badge cancellations. You can cancel badge orders as usual in the intranet information system (IIS). You will then see the cancellation receipts, just like order receipts, directly in PC CADDIE after you have made the intranet comparison.
⇒ Intranet connection and receipts
