Registration for the Golf IT CheckUp

We will arrange an appointment with you for the Golf IT CheckUp, in which an independent independent consultant checks your network and your software and hardware infrastructure. The CheckUp focusses on IT structure, stability, reliability, data backup and data protection. In a process lasting approx. 3-4 hours process, we go through all areas of IT in your company with you and and at the same time create detailed documentation of your network, which we then We then discuss this with you and your IT manager, and put together a solution package for you on request.

We check for you

- Workstations: Hardware and software
- Servers: Hardware and software
- Data backup
- Virus protection
- WLAN configuration
- User rights and access
- Active network hardware: routers, switches, etc.
- failure and emergency concept
- Create network documentation.

for EUR 499.00 plus VAT including travel to and from the site SFr. 599.00 plus VAT and an agreed flat rate for travel to and from the site
