

PC CADDIE Golf IT - Software manual for golf courses

Welcome to the PC CADDIE documentation. Here you will find step-by-step instructions on how to operate and set up your PC CADDIE programme with all its functions.

This is the easiest way to find your way around:

- The navigation of this documentation corresponds to the menu of your PC CADDIE golf software - so you can quickly find the function you are looking for.
- In the search field at the top right of this page, you can quickly find the pages with the required instructions under the keywords you are looking for.

You will also find up-to-date information about your PC CADDIE. And below that, lists of the pages that are most visited and best rated by our customers - perhaps you will also find interesting topics here!
