

Budget

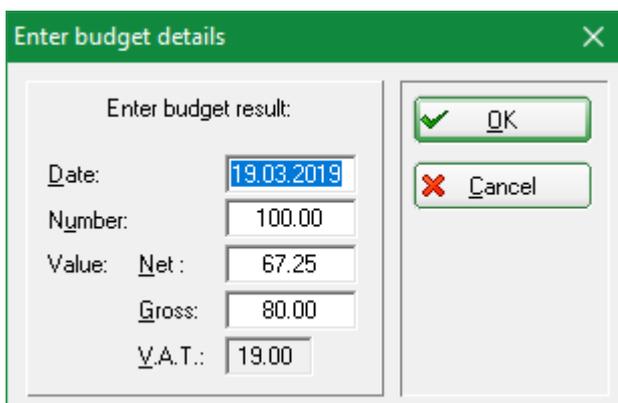

To create a budget for a product group, go to **Sales/Budget** and the following window opens:

First select any item from the product group whose budget is to be created and then click on **Continue**.

Then click on the button **New destination**, fill in the fields as required and confirm with **OK**.

Enter budget details

Estimate budget for this fee/article:
B&B

Date	Number	Total	Amount	Total
19.03.19	100.0	100.0	80.00	80.00

Buttons: + New result (F9), Edit (F7), Delete (F5), OK, Cancel

Then confirm with **OK** and you will return to the initial window.

You can now create a budget directly for other items.
