

Operating the cash register

Please switch to a cash register account area, e.g. **SALES** or **PROSHOP**.

Now call up the checkout via the button **Call up checkout** button in the PC CADDIE toolbar or via **Umsätze/Kasse**:

In the field **Customer** (F9) field, enter your customer's search abbreviation, the full name or just part of the name and the matching persons will be displayed. Another option is the list function button to

If the person does not yet exist in PC CADDIE, they are entered with **Create new person** to create a new person. Alternatively, you can create a person to whom the booking is made if you do not want to create the person separately, e.g. for the sale of a logo ball. To do this, create a „Guest“ or „Walk-in customer“ person. The abbreviation for the person „walk-in customer“ must be a small L, like this: „l“, (but without the characters).
