Player statistic

You can access this feature under ***Competitions/Print.../Player Statistic.*** Select the desired tournament and print the list containing the number of Eagles, Birdies, Pars, Bogeys and Double Bogeys for each tournament player.

Set which holes should be scored (if you do not enter any holes, all are scored), which group of people and whether the gross or net result should be considered. You can also see in the following lines which holes the players have received these results for, and can, for example,evaluate your birdie pool. You can then start the process with the button ***Print*** (F8):
