

Sign up players for multiple competitions

You have the possibility to register a player for multiple tournaments via **Competitions/Multiple Tournaments, Golf Weeks/Register Player for multiple Tournaments**. You can also do this directly from the person mask by clicking on the **Competition** button. In both cases, it is necessary that the number of players and the entry limits are previously set for the competition (via the **Internet** button from the competition mask).

Register player for multiple competitions

Selected player (F9) :
teti Tester, Timo
Hcp: -

Competitions: Select comp. (F4)

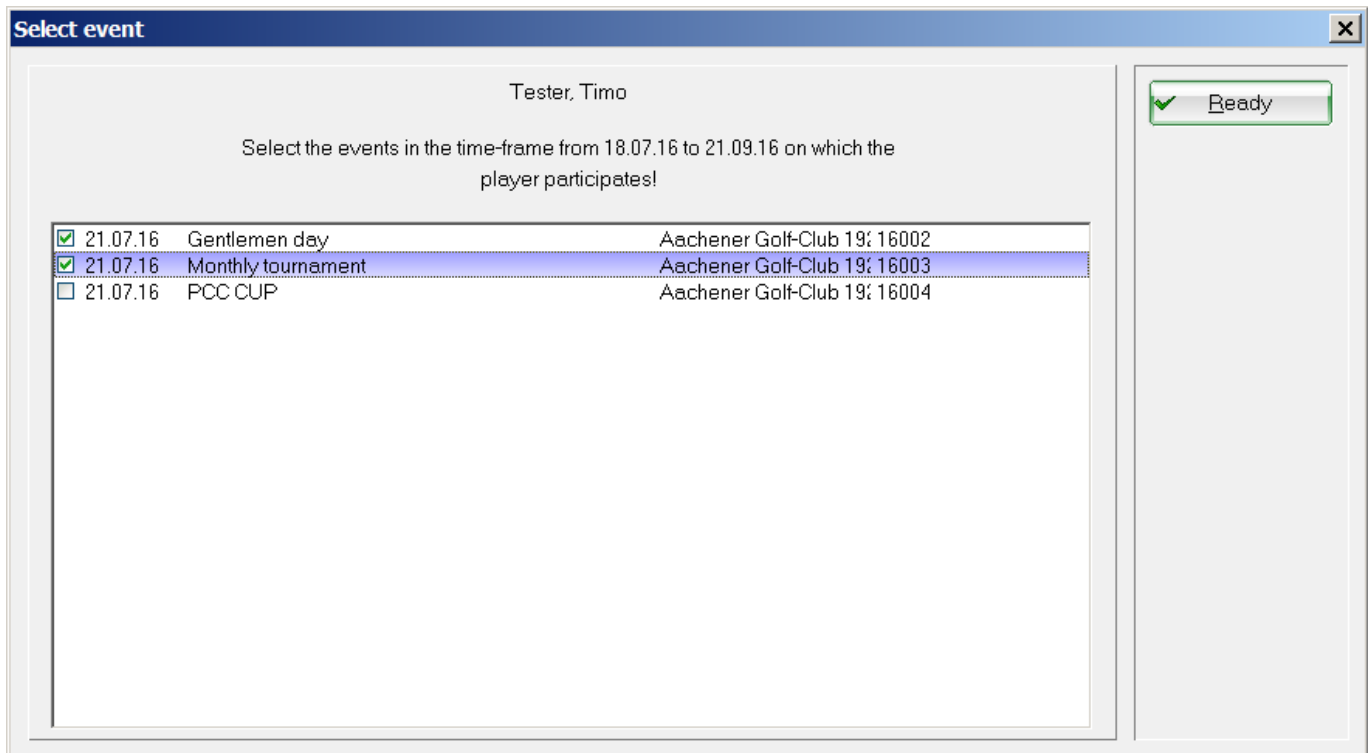

Delete (F5) Priority+Time (F7)

Considered data area...
from 18.07.16 to 21.09.16

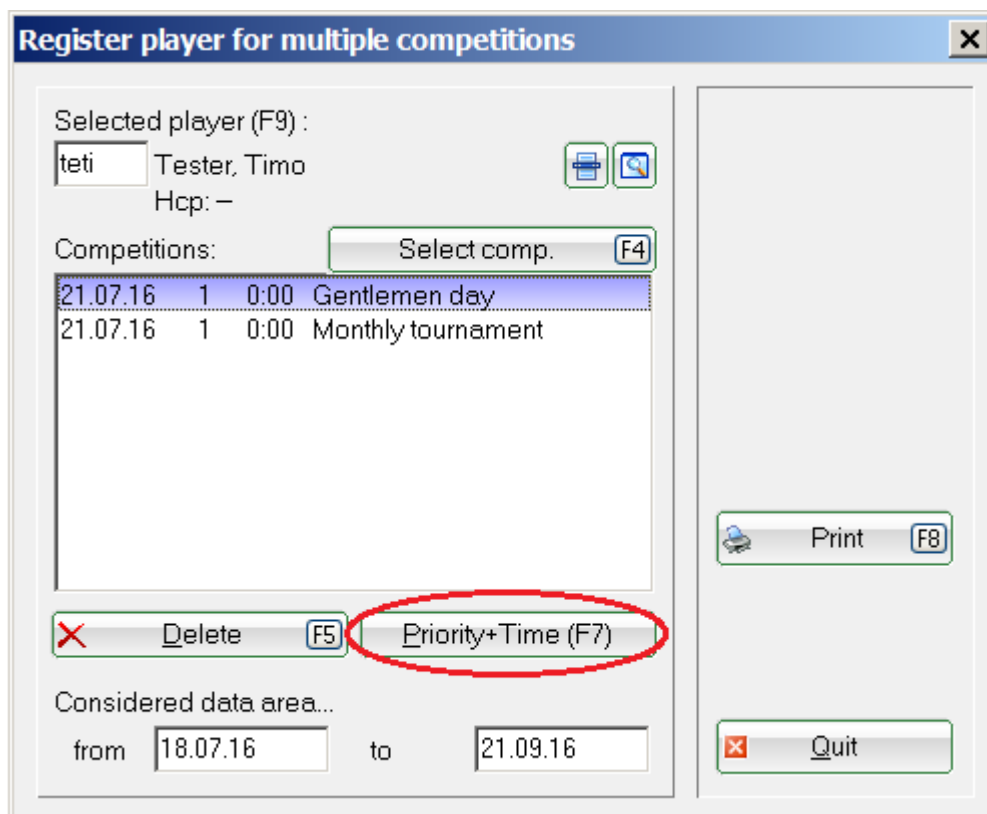

Print (F8)

Quit

Enter the player in the **Selected player** (F9) field. Then determine the data area to be considered. Use the button **Selected comp.** (F4) to activate those tournaments where the player should participate:

Confirm your inputs with **Ready**. If the player also has a preferred starting time frame, you should mark the desired tournament, click on **Priority+Time** (F7) and enter, for example, **E** for early:

Edit registered player [X]

Event: Gentlemen day
Player: Tester, Timo

Priority: **E**

Start Hole: (WL = Waiting List)
Time:

F7

Enter all the required data and close the dialog with **OK**.
